

**SpectraSan<sup>TM</sup> Spring Lake and Pond Dye**

**SpectraSan<sup>TM</sup> Enzyme<sup>®</sup> Lake and Pond Treatment**

***“There is nothing more inviting than refreshing Clear Blue Water!”***

**BioTech Medical, Inc.** is introducing a **NEW** line of pond care products, including SpectraSan Spring, Lake & Pond Dye as well as our Spectrasan Enzyme<sup>®</sup> Lake and Pond Treatment. These products are available for distribution and/or private label and are available in 4 x 1 gallon cases as well as 55 gal. drums.

***SpectraSan Springs Lake and Pond Dye*** – Each gallon contains enough **Acid Blue #9** to treat **one acre of water 4 – 6 feet deep** depending on the depth of color desired. Simply pour SpectraSan Lake & Pond Dye at the water’s edge or at an inlet into your lake or pond. SpectraSan Springs Lake & Pond dye will slowly disperse and mix uniformly throughout the pond or lake within approximately 24 hours with the natural wind and water currents.. We recommend application of SpectraSan Springs Pond Dye early in the spring and reapplication as needed to maintain the color desired. SpectraSan Springs Pond Dye is safe for all animals and vegetation. It will not stain or harm waterfowl, fish or livestock once diluted. Does not interfere with agricultural chemicals.

***Spectrasan Enzyme<sup>®</sup> Lake and Pond Treatment*** – Our proprietary blend of SpectraSan Enzyme<sup>®</sup> Lake and Pond Treatment rids your pond of muck, algae, dead leaves, odors and other organic material rendering your lake or pond clean and clear.

- **Non-Toxic**
- **Safe for livestock wildlife and fish**
- **Beautifies**
- **Enhances the Appearance of your lake or pond!**

**Directions for use:**

- **Initial treatment in early Spring & continue for life of pond**
- **1 Gallon treats (1 acre foot) of surface 1-2 feet deep**
- **Continue to treat every 3-4 weeks at half the initial treatment throughout the year or until water temperature drops below 50 degrees.**

**Exclusively Distributed by:**  
**Spectra Medical Distribution**
